

## College and Career Readiness for Your Student!

ElevateEdAZ College and Career Coaches are here to support your student with resources for life after high school. These resources will help expose your student to high-wage, high-demand, and high-skill careers. Here are the supports your College and Career can provide:

-  Work-Based Learning Opportunities
-  Career Preparation & Awareness
-  1:1 Student Support
-  Internship Opportunities
-  Resume Support
-  Credential Attainment

### Work-Based Learning

ElevateEdAZ partners with industry leaders to provide Work-Based Learning experiences for your student. This type of learning allows students to connect content learned in the classroom with lessons in the workplace. For example, students can learn about ethical hacking from industry leaders in the growing cybersecurity industry.

### Work-Based Learning Includes:

- Guest Speakers and Teachers
- Mock interviews
- Job Shadowing
- Field Trips
- Internships
