Did you know internships help you develop skills for the future and strengthen your connection with the community?

Internship Dates: August 2022–May 2023

Why Complete an Internship?

- ✓ Apply your skills in a real-world setting
- ✓ Build connections with employers
- ✓ Learn about yourself and future career paths
- ✓ Increase your professional confidence
- ✓ Enhance your resumé

Having participated in an internship, I was provided a feel for what this career is all about and help me down the line decide if work in marketing and social media is a career path I want to pursue. I am fortunate enough to have acquired such an opportunity and I believe this experience has helped shape me as a person and how I will approach similar situations in the future.

-Erica Khatter, High School Marketing Intern, Phoenix Coding Academy
