

Job Shadows

Observe the world of work through a job shadow!

Accounting | Automotive Collision & Repair | Automotive Technologies | Business Management | Business Operations | Computer Maintenance | Construction | Electrical Wiring | Engineering | Financial Services | Marketing/Sports & Entertainment Marketing | Network Security | Network Technologies | Nursing Assisting | Pharmacy | Software Development & App Design | Sports Medicine & Rehabilitation | Welding

Did you know job shadows can help you make clearer decisions about your future career choice and college pathway?

What is a Job Shadow?

A half-day job site visit where a student observes the daily work of their employer host.

Why Complete a Job Shadow?

- Explore and learn more about what it takes to gain a specific title or role in high-demand, high-wage industries
- Learn from professionals about real-world career readiness expectations such as professionalism in the workplace, dress code, work ethic, and reliability
- Build your network of industry contacts for future career opportunities

Job Shadow Participation Requirements

- ✓ Must have approval from all course teachers
- ✓ Commit 3–4 hours at the employer site with job shadow host
- ✓ Complete all required documents and assignments

Note that some job shadow opportunities may require students to have reliable transportation to meet at their school during iDays or school breaks.

What is the next step?

Get connected today! Complete the Job Shadow form and your ElevateEdAZ College and Career Coach will contact you!
