Summer 2023 Virtual Educator Externships

Educators across Arizona including middle school, high school, and community college teachers and counselors are invited to join one of our structured, three-day programs. Externs will rotate through various virtual experiences provided by industry leaders from diverse sectors and companies to increase industry awareness and help expose students to career pathways.

Session Topics Include:

- ✓ Career path opportunities across Arizona
- ✓ Resources for career exploration and preparation
- ✓ Technical and employability skills needed in high-growth industries

High Impact! Minimal Commitment!

- ✓ Daily virtual sessions
- ✓ Cohort and individual support
- ✓ Externship activities to share learnings
- ✓ Monetary stipend provided upon completion

“By working with local leaders and industry professionals we are creating a better support system for students! I’m grateful to have been able to get direct insight from local business leaders so I can truly better prepare my students to be successful in their future educational and career goals.”
-Shosanna, Educator at Phoenix Coding Academy, PXU
