

Fall 2023 | Virtual Educator Externships

Ensure the next generation is ready for the workforce!

Fall 2023 Virtual Educator Externships

Are you an industry professional who is passionate about ensuring the next generation is ready to join the workforce? Join us in giving classroom educators the industry acumen they need to expose students to your high-growth careers! Host one virtual session containing 20–30 teachers and counselors from across Arizona's middle schools, high schools, and community colleges to reach thousands of students! Throughout their three-day externship experience, educators will rotate through the various virtual experiences provided by employers like you to increase industry awareness and help expose students to career pathways.

Examples of Session Topics Include:

- ✓ Career path opportunities at your company
- ✓ Resources to prepare students for careers in your industry
- ✓ Insight to the technical and employability skills required for your jobs

Register Today!

Host a virtual, one-hour session for educators across Arizona! Session options are flexible and up to your team to decide which format fits you best. Examples include: Panels, Case Studies, Virtual Tours, and more!

Monday, October 9th–Wednesday, October 11th
One hour-long session between 8 a.m.–1 p.m.
